

ECONOMICS MAJOR (B.A.)

<https://paulcollege.unh.edu/academics/undergraduate-programs/bachelor-arts-economics>

Coursework in accounting is recommended but not required. B.A. economics majors may choose to focus their major electives to satisfy the requirements of one of the three options defined by the Department of Economics.

Description

Bachelor of Arts in Economics is designed to offer students the maximum flexibility in tailoring a program of study and provides a powerful platform for launching careers in almost all walks of life. Students are encouraged to take a wide variety of courses, double major, and take advantage of study abroad programs.

B.A. economics majors may select to focus their major electives to satisfy the requirements of one of the three options defined by the Department of Economics: Money and Financial Markets, Global Trade and Finance, or Public Policy and Sustainability.

B.A. economics majors must complete eight (8) courses in economics, plus PAUL 405/406, ADMN 403, ADMN 410, a math course (MATH 420, MATH 424A, or equivalent), and an ethics course (PHIL 430 or equivalent). Coursework in accounting is recommended but not required.

Requirements

Economics Major (B.A.)

B.A. economics majors must complete eight courses in economics plus ADMN 420 Business Statistics with a grade of at least C- (1.67) in each course and an average grade of 2.0 or better in the major courses.
