AUTISM SPECTRUM DISORDER (GRADUATE CERTIFICATE)

https://cola.unh.edu/education/program/certificate/autism-spectrum-disorder

Description

This program will serve the professional development needs of a wide variety of individuals, including:

1. parents of children with ASD;
2. special and general education teachers and administrators; speech-language pathologists, occupational therapists, behavioral consultants, recreation therapists; and
3. graduate students in other University majors such as sociology or psychology.

For more information please visit the Autism Spectrum Disorder website.

Applying

Please visit the Graduate School website for detailed instructions about applying to the certificate program.

Requirements

The coursework for the graduate certificate consists of 12-15 credits from the following required and elective course offerings. Highly qualified individuals may petition for permission to waive a required course. Applicants are urged to schedule an appointment with the program coordinators to develop their individualized course of study. Applications for graduate certificates are available through the Graduate School website.
