Description

Beginning in the 2025-2026 academic year, the M.S. Human Development and Family Studies: Marriage and Family Therapy is pausing admissions to the program. Current students will continue to have access to the same high-quality education and resources until they graduate.

The **Marriage and Family Therapy Program** prepares students to work in mental health, family service, medical, and human service settings. The program is fully accredited by the [Commission on Accreditation for Marriage and Family Therapy Education](#) and meets the academic requirements for clinical membership in the AAMFT. The Program generally takes two years including two summers and requires five hundred (500) hours of clinical practice in order to graduate. Additional hours of clinical practice under supervision are required after graduation to meet state licensure standards and qualify for [clinical membership in AAMFT](#).

The Marriage and Family Therapy Program contributes to the well-being of individuals and families through knowledge, teaching leadership and professional practice. The program is fully accredited by COAMFTE and meets the academic regulations for clinical membership in the [American Association for MFT](#). Through connecting research, practice and policy our faculty conducts significant research on a range of issues facing individuals, couples and families in today's society.

Clinical training offered within the MFT Program emphasizes treating individuals, couples, and families in relationship to larger systems that influence them. Supervised practica are continuous throughout the program. MFT program graduates learn to function as competent and ethical marriage and family therapy professionals and have a solid knowledge base of marriage and family therapy theory and research as well as clinical practice principles. The MFT Program successfully prepares graduates for employment as marriage and family therapists in community agencies and private practice.

Part-time MFT students will be admitted for the fall semester only. Part-time admission to the MFT is available on a case-by-case basis until January 15th to begin matriculation in the fall semester. Interested applicants should contact Dr. Tyler Jamison, Graduate Coordinator, for information. An interview may be required.

Disclosures

Professional Licensure/Certification Disclosures

The University of New Hampshire offers a number of academic programs designed to lead to professional licensure or certification in New Hampshire. However, completing a UNH degree/program does not guarantee professional licensure or certification. Eligibility may also depend on factors like years of work experience, professional examinations, passing a background check, and other criteria.

UNH does not guarantee that its professional licensure programs will satisfy the criteria of professional licensure boards in other states. Some states maintain different requirements for professional licensure or certification and requirements can change frequently. Federal regulations require the University to make public disclosure of certain information regarding professional licensure or certification programs, regardless of the modality the program is offered (i.e., in-person or online). The University provides guidance below but recommends students contact their state/territory licensing or certification board to ensure a program meets specific state/territory requirements.

Visit the Office of the Registrar's [website](#) for information about whether this program meets professional licensure requirements in your state.
