Description

The **Marriage and Family Therapy Program** prepares students to work in mental health, family service, medical, and human service settings. The program is fully accredited by the [Commission on Accreditation for Marriage and Family Therapy Education](#) and meets the academic requirements for clinical membership in the AAMFT. The Program generally takes two years including two summers and requires five hundred (500) hours of clinical practice in order to graduate. Additional hours of clinical practice under supervision are required after graduation to meet state licensure standards and qualify for [clinical membership](#) in AAMFT.

The Marriage and Family Therapy Program contributes to the well-being of individuals and families through knowledge, teaching leadership and professional practice. The program is fully accredited by COAMFTE and meets the academic regulations for clinical membership in the [American Association for MFT](#). Through connecting research, practice and policy our faculty conducts significant research on a range of issues facing individuals, couples and families in today's society.

Clinical training offered within the MFT Program emphasizes treating individuals, couples, and families in relationship to larger systems that influence them. Supervised practica are continuous throughout the program. MFT program graduates learn to function as competent and ethical marriage and family therapy professionals and have a solid knowledge base of marriage and family therapy theory and research as well as clinical practice principles. The MFT Program successfully prepares graduates for employment as marriage and family therapists in community agencies and private practice.

Part-time MFT students will be admitted for the fall semester only. Part-time admission to the MFT is available on a case-by-case basis until January 15th to begin matriculation in the fall semester. Interested applicants should contact Dr. Barbara Frankel, Graduate Coordinator, for information. An interview may be required. Part-time MFT students are not accepted for the spring semester.

All students are expected to:

- Minimum of two years of full-time study, including two summers.
- Students must complete 72 credits of required coursework, which includes 24 successfully completed credits of practicum.
