KINESIOLOGY AND SOCIAL WORK DUAL DEGREE (M.S./ M.S.W.)

https://chhs.unh.edu/social-work/program/msmsw/social-work-kinesiology-dual-degree

Description

Social Work and Kinesiology

Dual-degree Social Work and Kinesiology students take classes simultaneously over the course of two-and-and-half years in both Social Work and Kinesiology: Outdoor Education and complete a minimum of 78 credits for graduation. This includes two internships, one during their first year of study, and a second specialized block placement internship over the summer following the second year of study, which concentrates on the utilization and application of adventure therapy in an agency setting. This block placement internship may occur in New England or in other appropriate settings across the U.S. Students are also required to complete a teaching practicum supporting faculty teaching in the outdoor education program as well as an advanced studies project during their last year of study, which is supervised by faculty in Kinesiology: Outdoor Education and Social Work.

Admission Requirements

Dual degree applicants in Social Work and Kinesiology: Outdoor Education must meet the requirements for both Social Work and Kinesiology: Outdoor Education. Applicants should check each program for their requirements which may be different; however, it is important to note that dual degree students are required for admission to have a minimum of 2 years of experience (post undergraduate) in the field of outdoor education with evidence of considerable leadership time with groups in outdoor settings, preferably with therapeutic populations. Applicants do not need to apply separately to each program but are instructed to apply online via the graduate school for the “Social Work: Dual Degree MSW and MS Kinesiology” option.

Dual degree applications are due by February 1st.

For additional information regarding the Social Work/KIN dual degree admission requirements, contact Anita Tucker at Anita.Tucker@unh.edu or Michael Gass at Michael.Gass@unh.edu.
