Student Learning Outcomes

Students will have the opportunity to:

- Assess and enrich their capacity to lead in today’s environment;
- Identify the components of leadership practice and present ways to implement them;
- Evaluate organizational relationships and their ability to contribute to organizational effectiveness;
- Assess their ethical framework in the context of an effective leadership model;
- Augment their ability to lead people and teams to excellence in projects and organizational settings;
- Develop theoretically-grounded plans to manage change and actualize vision within organizations.
