As with the basic IP & Transaction Clinic, the Advanced IP & Transaction Clinic will incorporate very frequent usage of the Patent and Trademark and Copyright Office websites to conduct legal research, factual research, and prepare and submit filings, as well as frequent use of the USPQ and secondary sources for legal research. In particular, students will be asked to demonstrate literacy in obtaining information through public and fee-based databases, through client interviews, and internal resources to properly identify client issues, analyze information, strategize options, engage in participatory model client decision-making, and take and complete action on the strategic plan, reflecting on each step in a weekly journal. Eligibility: Open to all except 1Ls. Prerequisites: I will enroll up to 8 students having an interest in practical experience in IP, ranking them for enrollment purposes based on prior class work. In particular, I look to prior and current enrollment in Trademarks, Copyrights, Trademark Registration, and Business Associations, but I also consider other (similar) courses and life experience. Email me (Ashlyn.Lembree@Law.UNH.edu) for questions/clarification/submission of additional information beyond the above 4 courses. Corequisites: See prerequisites.
