Student Learning Outcomes

Student Learning Outcomes for Intellectual Property (IP), L.L.M. UNH Law graduates from the IP LLM program will demonstrate competency at the level of an experienced attorney in these four areas:

- Legal analysis and reasoning, legal research, problem-solving, and written and oral communication in the context of traditional intellectual property law and practice in the United States and globally.
- Exercise of proper professional and ethical responsibilities to clients and the national and global legal systems of intellectual property rights; and
- Other professional skills needed for competent and ethical participation as a member of the legal profession focused on intellectual property practice domestically and internationally.
