INTELLECTUAL PROPERTY (M.I.P.)

https://law.unh.edu/program/mip/intellectual-property

Description

The MIP program allows student to take advantage of one of the most comprehensive IP curricula in the country and immerse themselves in a broad range of cutting-edge IP issues. You will enjoy a rich array of IP resources and programs and choose from classes in patent law, copyright, trademarks and more.

The Master's in Intellectual Property is available through in-person and online formats. The in-person program is offered in a full-time, residential format with classes beginning in August and concluding in May. The online program offers start dates in August and January. Students can complete the program full-time in one calendar year, or part-time in up to three years.

Student Learning Outcomes

UNH Franklin PierceLaw graduates from the IP interdisciplinary Master's or certificate program will demonstrate familiarity with these four areas:

- Knowledge and understanding of substantive and procedural law in traditional areas of intellectual property law and practice in the United States and internationally, focused on patents, copyrights, and trademarks.
- Legal analysis and reasoning, legal research, problem-solving, and written and oral communication in the context of traditional intellectual property law and practice in the United States and globally.
- Exercise of proper professional and ethical responsibilities as a lawyer or other type of professional to clients or other relevant stakeholders and the national and global legal systems of intellectual property rights; and
- Other professional skills needed for competent and ethical participation as a member of the legal or other professions focused on the practice or other use of intellectual property law domestically or internationally.
