

ECOGASTRONOMY DUAL MAJOR

<https://paulcollege.unh.edu/hospitality-management/program/ecogastronomy>

Description

The Dual Major in EcoGastronomy integrates UNH strengths in sustainable agriculture, hospitality management, and nutrition. EcoGastronomy offers a unique academic program emphasizing the interdisciplinary, international, and experiential knowledge that connects all three fields.

The EcoGastronomy Dual Major is a collaboration with the University of New Hampshire's College of Life Sciences and Agriculture, Peter T. Paul College of Business and Economics, and the Sustainability Institute.
