- No more than 8 credits used by the student to satisfy major requirements may be used for the minor.
- All transfer courses must be evaluated for equivalency. No more than 2 transfer courses may be applied to the minor.

Description

Hospitality Management Minor is offered as a professional educational opportunity for students as an entree to the world's largest industry, hospitality and tourism. Students pursuing the minor will have opportunities to interview with major hospitality companies for staff and management training positions. In addition, students will be better able to secure meaningful working experiences in the industry during their college career as they progress towards the minor.

The minor is comprised of five required courses. The courses have been selected to ensure all students have a well-rounded learning experience that will strengthen their ability to succeed.
