Description

The Minor in Leadership at Paul College was designed for students motivated by a deep sense of passion and purpose. This program energizes them to mobilize resources which enable people to successfully fulfill their roles and responsibilities in their organizations. The Leadership minor course of study will help you to develop your leadership identity and skills such as effective communicating, inspiring and developing people, and awakening passion in others for great accomplishments.

The Leadership program combines coursework from management and social sciences, along with an experiential learning requirement in leadership. The minor also allows students to pursue their leadership passions through the selection of two elective courses.

Requirements

The Minor in Leadership consists of specified courses: two (2) required management courses, one (1) behavior/society course, two (2) elective courses, one (1) leadership experience. Requirements and specified course options to satisfy the minor are listed below.
