Special topics and developments in lodging, food services, and other hospitality industries. Prereq: junior standing. Course may be repeated when topics change up to a maximum of 8 credits.

HMGT 698T - Topics/Study Away
Credits: 1-4
Topics; Study Away. Special fee.
Co-requisite: INCO 589

HMGT 700 - PAUL Assessment of Core Knowledge
Credits: 0
One of the learning objectives in the Hospitality Management Program is that all students will graduate with an understanding of these core knowledge assembled from various disciplines that contribute courses to the program. We assess this learning as part of our Assurance of Learning Program. This zero credit course provides an administrative mechanism for accomplishing this goal.
Co-requisite: HMGT 703

HMGT 703 - Strategic Management in the Hospitality Industry
Credits: 4
Capstone course, interrelating and applying strategic management concepts to hospitality organizations. Cases from hotel companies, restaurant chains, and other hospitality-related businesses, supplemented by economic and other published information from the industry, are used as departure points for class discussion. Prereq: senior standing. Writing intensive.
Co-requisite: HMGT 700
Attributes: Writing Intensive Course

HMGT 750 - Advanced Operations Management
Attributes: Writing Intensive Course
Credits: 4
Students travel to a major Boston hotel weekly to spend a day working in various departments. The course gives students an in-depth look at the operation of the individual departments, as well as learning how departments must function in an integral way for a successful hotel to operate. Students also experience areas not able to be covered in the on-campus curriculum including Receiving, Security, Maintenance and a day with a General Manager. Prereq: HMGT major and junior or senior status.

HMGT 756 - International Franchising
Credits: 4
Designed to help the student acquire an understanding of franchising as a system of distribution and business expansion. Franchising is studied from both the perspectives of the franchisee and the franchiser. In addition, economic, financial, and legal issues associated with franchising are covered. By the end of the course, students acquire the skills and sources of information that would permit sound assessment of the business opportunities available in franchising. Prereq: ADMN 585 or HMGT 600. (Also offered as MKTG 756.)

HMGT 758 - Revenue Management and Pricing
Credits: 4
This course covers two topics critical to today’s hotel industry; the actual techniques of selling, converting inquiries from individuals and conventions into business. Revenue Management is the technique of evaluating a piece of business and determining its profitability over all departments. The course looks intently at past history as well as forecasting in order to determine the price to be charged based on demand and profitability sought.
