NAIS 400 - Introduction to Native American and Indigenous Studies
Credits: 4
This course serves as an introduction to the interdisciplinary field of
Native American and Indigenous Studies (NAIS). NAIS cultivates a broad
understanding of the history, lands, culture, literature, language and
artistic expression, science and technology, race and identity, and social
organization and political statuses of Indigenous peoples, emphasizing
self-determination, sovereignty, and survivance globally. Students will
learn about significant events and issues from Indigenous perspectives
and develop new ways of thinking about Native peoples.
