

# SCHOOL OF NURSING

---

## University of New Hampshire School of Nursing

The undergraduate nursing program is nationally accredited by the Commission on Collegiate Nursing Education

Students in the School of Nursing learn about relationship-based care, reflective thinking and clinical decision making while following guidelines for developing safe, quality clinical skills. Nursing students learn from faculty who serve as facilitators and mentors within a supportive, scholarly environment, and as graduates become part of the workforce that will help shape the future of healthcare.
