RECREATION MANAGEMENT AND POLICY (RMP)

As the fabric of life in contemporary society grows in complexity, people are increasingly turning to leisure and recreation services to find meaning, renewal, and enrichment. Recreation services can improve public health and wellness, promote sustainable environments, develop a sense of community, and enhance the quality of life of all citizens. Recreation professionals work in diverse settings, including human services, health care, natural recreation resource areas such as parks, wilderness programs, and commercial recreation businesses. Population and economic projections suggest that recreation service industries will continue to expand and thereby continue to provide numerous professional career opportunities.

The Department of Recreation Management and Policy maintains three national accreditations. Our core is nationally accredited by the Council on Accreditation of Parks, Recreation, Tourism, and Related Professions (COAPRT). Our OLM option is accredited by the Association for Experiential Education (AEE). Further, our therapeutic recreation option is accredited by the Committee on Accreditation of Recreational Therapy Education (CARTE). CARTE is an approved accreditation program under the Commission on Accreditation of Allied Health Education Programs (CAAHEP). The Department’s curriculum supports a broad-based education and an opportunity to acquire specialized professional knowledge and skills. Graduates are employed in a broad range of settings, such as community recreation agencies, resorts, conference centers, youth services agencies, state or national parks, government agencies, universities, hospitals, rehabilitation centers, and long-term care facilities.

Curriculum Structure

Students entering the major may choose an option in Outdoor Leadership and Management ("OLM"), Program and Event Management ("PEM"), or Therapeutic Recreation ("TR"). The options include the professional core and required courses. Candidates for a degree in Recreation Management and Policy must satisfy all of the University Discovery Program requirements in addition to satisfying the requirements of each individual major option.

Professional Internship

A supervised internship (RMP 764 Internship) is required of all majors and serves as their major capstone requirement. The internship is designed to create a bridge between theory and practical application. Students, working with their advisers and the internship coordinator, select an appropriate setting based on their professional and career interests. They must register for an 8 or 12 credit full-time internship that ranges from 10 to 16 weeks and is under the supervision of a qualified professional. Specific requirements are identified in the Internship Manual available from the Department of Recreation Management and Policy.

Declaring a Major

First-year students entering UNH who wish to apply to the Bachelor of Science (B.S.) program in Recreation Management and Policy with an option in Outdoor Leadership and Management, Program and Event Management, or Therapeutic Recreation should contact the Office of Admissions. The admissions web site contains complete campus visit information and an online visitor registration. It also contains admission criteria and important dates, as well as an online application form.

How to apply for students transferring from within UNH

Outdoor Leadership and Management: UNH’s outdoor leadership and management program prepares students for dynamic careers in outdoor education, adventure programming, outdoor recreation management, parks and protected areas management, youth and after-school programming, and conservation. Our curriculum combines experiential learning in urban, rural and backcountry landscapes with a classic liberal arts education. You’ll gain a solid foundation in the theories, philosophies and methods of outdoor recreation leadership and management while gaining skills in outdoor activities such as climbing, canoeing and backpacking. Admission decisions are made after the student completes the online internal transfer application process and has a meeting with the OLM option coordinator. If you have questions about the program and event management option, please contact Nate Fitch (nate.fitch@unh.edu). OLM applications are accepted throughout the year and decisions are made on a rolling admission basis.

Program and Event Management: This option prepares students for supervisory or middle management positions and emphasizes planning, leadership, and administrative concepts in settings such as youth sport organizations, recreation resource management, business and entrepreneurial recreation, municipal recreation, campus recreation, residential communities, festivals and events planning, employee services recreation, recreational sports agencies, youth service agencies, and resorts. Admission decisions are made after the student completes the online internal transfer application process and has a meeting with the PEM option coordinator. If you have questions about the program and event management option, please contact Sean McLaughlin (sean.mclaughlin@unh.edu). PEM applications are accepted throughout the year and decisions are made on a rolling admission basis.

Therapeutic Recreation: The therapeutic recreation option prepares students for work primarily in clinical, allied health facilities such as hospitals, rehabilitation centers, mental health programs, and extended care facilities as well as inclusive community recreation programs. Admission decisions are based upon the content of the online application as well as a personal interview with the therapeutic recreation option coordinator. Students must have a minimum cumulative grade point average of 2.75 to be considered for admission into the major and it is highly recommended that students have completed or are enrolled in BMS 507 Human Anatomy and Physiology I or BMS 508 Human Anatomy and Physiology II at the time of application. If you have questions about the therapeutic recreation option, please contact Matt Frye (matt.frye@unh.edu).

To apply, we ask students to go through a short informational meeting with the TR Option Coordinator Matt Frye (matt.frye@unh.edu) prior to completing the online internal transfer application. TR applications are accepted throughout the year and decisions are made on a rolling admission basis.

Recreation Management & Policy (RMP)

OUT #407B - Introduction to Outdoor Education & Leadership - Three Season Experiences
Credits: 2
An exploration of three-season adventure programs and career opportunities in the outdoor field. Students will be introduced to a variety of on-campus outdoor pursuits programming in spring, summer, and fall, including hiking, orienteering, climbing, and watersports. An emphasis on experiential teaching and learning will help students understand essential elements in program planning, administration and risk management. You will examine current trends in public participation in three-season outdoor activities and employment in the outdoor field. No experience required.
Equivalent(s): KIN 407B
Grade Mode: Letter Grading

OUT 444A - Risk and the Human Experience
Credits: 4
Explores the construct of risk in two phases: 1) knowledge building, focusing on the historical development of risk and its current manifestations in contemporary society; and 2) knowledge application, which focuses on applying conceptions of risk to various case study examples. The second phase of the course employs a problem-based learning approach with four distinct modules that ask students to apply, experience, and evaluate risk in a variety of contexts. Each module includes: a) a case study description, b) an experiential exercise, and c) a collaborative debriefing of the experience and reflective application to broader societal issues.
Attributes: Social Science (Discovery); Inquiry (Discovery)
Equivalent(s): KIN 444A
Grade Mode: Letter Grading

OUT 444C - AMPED UP: Social and Psychological Perspectives on Adventure
Credits: 4
Interest in the topic of adventure has exploded in recent years; with enough money, almost any adventure is available to anyone. The widespread rise in popularity of adventure brings questions, however. What is the role of adventure in modern society? What is its value to individuals? Through lectures, written assignments, group projects, multimedia, and experiential learning, this course surveys psychological, sociological, and anthropological perspectives on these and students’ own questions.
Attributes: Social Science (Discovery); Inquiry (Discovery); Writing Intensive Course
Equivalent(s): KIN 444C
Grade Mode: Letter Grading
Special Fee: Yes

This course is cross-listed with RMP 515.
Attributes: Historical Perspectives(Disc)
Equivalent(s): KIN 515, RMP 515
Grade Mode: Letter Grading

OUT 539 - Artificial Climbing Wall Management
Credits: 2
The primary purpose of this course is an introduction to the procedures, methods, and techniques of artificial climbing wall management. Within the scope of this course, students will be introduced to operations, supervision, equipment and facility use/maintenance, risk management strategies, routesetting, individual an group programming/facilitation/teaching, technical skills and rescue/emergency procedures. A variety of teaching styles will be used to familiarize students with each topic area. Optional certification fee. Lab.
Equivalent(s): KIN 539
Grade Mode: Letter Grading
Special Fee: Yes

OUT 540 - Top Rope Rock Climbing
Credits: 4
Provides students with an understanding of the equipment, techniques, and procedures necessary for the setup and management top rope rock climbing and rappelling sites, including advanced rescue skills. Students also develop basic climbing movement techniques and skills, an understanding of the pedagogical techniques used in climbing, and the requisite knowledge/skill development to conduct safe top rope experiences in multiple settings. The format of this course is a combination of demonstration/lecture and “hands-on” learning with the emphasis upon student interaction and practical skill development. Lab.
Equivalent(s): KIN 540
Grade Mode: Letter Grading

OUT 541 - Management of Challenge Courses
Credits: 4
Provides students with an introduction to the basic facilitation/technical skills to manage a challenge course program. Exposure to intermediate technical skills usually required for lead facilitators. Specific topics include group process, framing, and sequencing, delay methods, participant and instructor equipment, operating procedures for low and high challenge course elements, and industry standards. Lab.
Equivalent(s): KIN 541
Grade Mode: Letter Grading
Special Fee: Yes
OUT #542 - Sea Kayaking
Credits: 2
An introduction to the technical, teaching, and leadership skills required to lead inland kayaking programs and to assist with coastal canoeing programs. Emphasis on individual kayaking skills, self- and group-assisted rescues, safety and group management in a marine environment, and tactics for ocean travel and navigation. Lab.
Equivalent(s): KIN 542
Grade Mode: Letter Grading
Special Fee: Yes

OUT 543 - Winter Adventure Programming
Credits: 2
An introduction to winter programming and back country travel, including snowshoeing and skiing, winter interpretation activities, backpacking, and winter camping. Emphasis on teaching of introductory winter programs and trips. Lab.
Prerequisite(s): OUT 551 with a minimum grade of D-.
Equivalent(s): KIN 543
Grade Mode: Letter Grading
Special Fee: Yes

OUT 545 - High Angle Rescue
Credits: 2
Provides students with the skills necessary to perform self and group rescues in a variety of steep terrain and high angle environments. Students also gain the basic skills necessary for the implementation of self- and partner-rescues while in a technical climbing environment. The skills learned from this class will adapt readily to climber rescue, crevasse rescue, big wall rescue, cave rescue, and vertical urban rescue. Lab.
Prerequisite(s): OUT 547 with a minimum grade of D-.
Equivalent(s): KIN 545
Grade Mode: Letter Grading
Special Fee: Yes

OUT 546 - Whitewater Canoeing
Credits: 3
Introduces white water canoeing skills. Students gain a basic understanding of the equipment, techniques, and procedures to conduct canoeing activities in flat water, moving water, and white water environments. Emphasizes development of individual paddling skills, safe and conscientious paddling, and group management on moving water and white water. Lab.
Equivalent(s): KIN 546
Grade Mode: Letter Grading
Special Fee: Yes

OUT 547 - Lead Rock Climbing
Credits: 3
Advanced climbing course designed to provide students with a structured environment to transition from top rope rock climbing or sport climbing to multi-pitch traditional lead climbing. Focuses on the development of the technical skills and judgment associated with leading in a multi-pitch environment. Specific topics include use of artificial protection, belay anchor construction, multi-pitch rappelling, knots, rope/belay station management, climbing technique, and multi-pitch leading considerations. Lab.
Prerequisite(s): OUT 540 with a minimum grade of D-.
Equivalent(s): KIN 547
Grade Mode: Letter Grading
Special Fee: Yes

OUT #548 - Winter Expedition Programming
Credits: 4
Introduces methods and techniques of winter expedition travel including camping, snowshoeing, alpine climbing skills, technical skiing and ice climbing skills. A variety of teaching styles are used to familiarize students with each topic area, and occur in classroom, basecamp, and wilderness settings. Lab.
Prerequisite(s): OUT 551 with a minimum grade of D-.
Equivalent(s): KIN 548
Grade Mode: Letter Grading
Special Fee: Yes

OUT 549 - Wilderness Navigation
Credits: 4
Introduces the methods and techniques of wilderness navigation. Topics include map interpretation, compass use, global positioning systems, and other navigation methods. A variety of teaching styles are used to familiarize the students with each topic area, and occur in both classroom and wilderness settings. Lab.
Equivalent(s): KIN 549
Grade Mode: Letter Grading
Special Fee: Yes

OUT 550 - Outdoor Education Philosophy and Methods
Credits: 4
Explores the philosophical basis for experiential and outdoor education. Experiential exercises and readings focus on risk, traditional vs. progressive education, role of nature, ethics, models of learning and facilitation, and developing a personal philosophy of outdoor education. Includes full-day outdoor education laboratory experiences.
Attributes: Inquiry (Discovery); Writing Intensive Course
Equivalent(s): KIN 550
Grade Mode: Letter Grading
Special Fee: Yes

OUT 551 - Adventure Programming: Backcountry Based Experience
Credits: 4
Introduces the leadership of land-based backpacking programs. Students develop an understanding of backpacking equipment, trip planning and organization, instruction of basic camping skills, implementation of safety procedures and group management on backpacking trips. Lab.
Equivalent(s): KIN 551
Grade Mode: Letter Grading
Special Fee: Yes

OUT 552 - Adventure Programming: Water Based Experiences
Credits: 4
Introduces the leadership of canoe expeditions. Students develop an understanding of necessary canoeing equipment, trip planning and organization, instruction of basic canoeing strokes, implementation of safety procedures, and group management on canoe expeditions. Lab.
Equivalent(s): KIN 552
Grade Mode: Letter Grading
Special Fee: Yes

OUT 553 - Outdoor Education Methods
Credits: 4
Introduces the methods and techniques of summer camp, outdoor education, and trips. Lab.

OUT 554 - Winter Expedition Programming
Credits: 4
Introduces methods and techniques of winter expedition travel including camping, snowshoeing, alpine climbing skills, technical skiing and ice climbing skills. A variety of teaching styles are used to familiarize students with each topic area, and occur in classroom, basecamp, and wilderness settings. Lab.
Prerequisite(s): OUT 551 with a minimum grade of D-.
Equivalent(s): KIN 554
Grade Mode: Letter Grading
Special Fee: Yes

OUT 555 - Wilderness Navigation
Credits: 4
Introduces the methods and techniques of wilderness navigation. Topics include map interpretation, compass use, global positioning systems, and other navigation methods. A variety of teaching styles are used to familiarize the students with each topic area, and occur in both classroom and wilderness settings. Lab.
Equivalent(s): KIN 555
Grade Mode: Letter Grading

OUT 557 - Adventure Programming: Backcountry Based Experience
Credits: 4
Introduces the leadership of land-based backpacking programs. Students develop an understanding of backpacking equipment, trip planning and organization, instruction of basic camping skills, implementation of safety procedures and group management on backpacking trips. Lab.
Equivalent(s): KIN 557
Grade Mode: Letter Grading
Special Fee: Yes

OUT 558 - Adventure Programming: Water Based Experiences
Credits: 4
Introduces the leadership of canoe expeditions. Students develop an understanding of necessary canoeing equipment, trip planning and organization, instruction of basic canoeing strokes, implementation of safety procedures, and group management on canoe expeditions. Lab.
Equivalent(s): KIN 558
Grade Mode: Letter Grading
Special Fee: Yes

OUT 559 - Outdoor Education Methods
Credits: 4
Introduces the methods and techniques of summer camp, outdoor education, and trips. Lab.

OUT 560 - Winter Expedition Programming
Credits: 4
Introduces methods and techniques of winter expedition travel including camping, snowshoeing, alpine climbing skills, technical skiing and ice climbing skills. A variety of teaching styles are used to familiarize students with each topic area, and occur in classroom, basecamp, and wilderness settings. Lab.
Prerequisite(s): OUT 551 with a minimum grade of D-.
Equivalent(s): KIN 560
Grade Mode: Letter Grading
Special Fee: Yes

OUT 561 - Wilderness Navigation
Credits: 4
Introduces the methods and techniques of wilderness navigation. Topics include map interpretation, compass use, global positioning systems, and other navigation methods. A variety of teaching styles are used to familiarize the students with each topic area, and occur in both classroom and wilderness settings. Lab.
Equivalent(s): KIN 561
Grade Mode: Letter Grading
Special Fee: Yes

OUT 562 - Outdoor Education Philosophy and Methods
Credits: 4
