Description

The art minor is an appropriate option for students who do not want to take the specific requirements for the art history or studio art minors, but who are still interested in taking art history and/or studio classes.

Requirements

The minor in art consists of five courses (20 credits) chosen from the offerings of the department, two of which must be at the 500-level or above. Courses can be all studio art, all art history, or a combination of both.
