https://cola.unh.edu/classics-humanities-italian-studies/program/ba/classics-major-latin-latin-teaching-option

Description

The Latin and Latin Teaching (LLT) option is designed to provide a good foundational liberal arts education centered on Latin and the Roman world, but it also includes specific elements that make it particularly appropriate for students who are considering careers teaching Latin in secondary schools after graduation. This option does not lead directly to state certification, which can be pursued during a fifth year of study in the Department of Education.

Requirements

To complete the LLT option of the classics major, a student must complete 10 courses (40 credits), distributed as follows:

1 At least 4 credits must come from LATN 631 Latin Prose Composition and at least 4 credits must come at the 700 level.

2 An up-to-date list of these courses is always available from departmental advisors and additional exceptions are allowed with the written approval of the advisor.

Candidates for a degree must satisfy all of the University Discovery Program requirements in addition to satisfying the requirements of each individual major program. Bachelor of arts candidates must also satisfy the foreign language proficiency requirement.

Classics majors may use two major-required courses to satisfy two Discovery category requirements.

The required minimum overall GPA in major coursework is 2.0.

Please note that the LLT option does not by itself meet New Hampshire state certification requirements. Those who intend to pursue this certification should enroll in EDUC 500 Exploring Teaching as early as possible and then apply early in the fall of their year of graduation for a fifth year of internship and study through UNH’s Department of Education. Students are also encouraged strongly to consider taking some EDUC electives during their period of undergraduate study.
