MUSIC MAJOR: MUSIC LIBERAL STUDIES OPTION (B.A.)

https://cola.unh.edu/music/program/ba/music-major-music-liberal-studies-option

Description

Students enrolling in the B.A. music liberal studies program — a program that stresses the development of skills in analysis, writing and critical thinking about a wide variety of music and the larger connection with history, culture and society — are required to submit a writing sample and interview with one of the music liberal studies program faculty members. The writing sample should be non-fiction, preferably an assignment for a course in English, history or a similar subject, 500 words or more in length.

The Discovery Program capstone requirement is fulfilled by a final project or a public performance given during the senior year. For students in the music liberal studies program, there is a choice of completing a half recital or comparable final project.

Candidates for a degree must satisfy all of the University Discovery Program requirements in addition to satisfying the requirements of each individual major program. Bachelor of arts candidates must also satisfy the foreign language proficiency requirement.

Major department courses may not be used to satisfy Discovery category requirements except in the case of a second major. B.A. in music majors may use MUSI 502 History and Literature of Music (a required core course for the major) to satisfy the Inquiry Discovery requirement.
