PRE-TEACHING MAJOR (B.M.)

https://cola.unh.edu/music/program/bm/pre-teaching-major

Description

The B.M. pre-teaching degree is the program of choice for most students seeking a five-year, combined bachelor’s and master’s degree program that includes certification to teach music in the public schools. Students will complete all of the skill and knowledge content requirements in this undergraduate program leaving a year-long internship and some advanced study in music and education for the fifth year.

Students applying to the Master of Arts in Teaching program need a cumulative undergraduate grade point average of 3.2 or better to ensure admission to the graduate school. Therefore, students typically apply first to UNH as a B.M. music education major and switch to this B.M. pre-teaching degree in their junior or senior year.
