THEATRE MAJOR: DESIGN & THEATRE TECHNOLOGY OPTION (B.A.)

https://cola.unh.edu/theatre-dance/program/ba/theatre-major-design-theatre-technology-option

Description

Design and theatre technology students who show significant progress and ability may earn the opportunity to demonstrate practical application of their studies through the department’s main stage production design assignments. Through classwork, production assignments and problem-solving, this option prepares students for both practical skills and aesthetic sensibilities needed for the creation of visual and technical elements for the performing arts. The challenging coursework provides both fundamental knowledge and critical thinking practice, which are skills that help students pursue a successful profession in theatre and related fields; the core principles of hard work, problem-solving and creativity are transferable to other career paths as well. UNH-trained graduates hold careers across the nation as designers, technical directors, stage managers, property masters, head electricians, and scenic artists.

Requirements

In the freshman and sophomore years, students should enroll for at least two major and two Discovery courses per semester. The minimum grade requirement for major courses is C- per course. Any grade lower than C- will not count toward the major. Under department policy, students who complete both COMM 401 American Sign Language I and COMM 502 American Sign Language II satisfy the bachelor of arts language proficiency requirement. All majors must take courses in the following areas: performance, design/theatre technology, and theory/history as well as fulfill between four and eight practicums and complete a capstone course. Although timing will vary with each option, it is strongly suggested that all introductory courses be taken prior to the end of the student’s sophomore year.

The required minimum overall GPA in major coursework is 2.0.

Candidates for a degree must satisfy all of the University Discovery Program requirements in addition to satisfying the requirements of each individual major program. Bachelor of arts candidates must also satisfy the foreign language proficiency requirement.

Theatre department majors may use one major-required course to satisfy one Discovery category requirement.

All UNH B.A. degrees require a minimum of 128 credit hours.
