COMMUNITY PLANNING MINOR

https://colsa.unh.edu/nren/cep/community-planning-minor

Description

Planning is a multidisciplinary profession that requires an understanding of social, economic, and environmental connections to land use change. Students may supplement their major with the minor in community planning to enhance their skills to work with communities for improved sustainability.

Requirements

• Required: 20 hours of credit
• A grade of C- or better in each of the 5 courses.
• No more than 8 credits used to satisfy major requirements may be used for the minor
• Credit/fail courses may not be used for the minor.
