

# FORESTRY MINOR

<https://colsa.unh.edu/natural-resources-environment/program/minor/forestry>

## Description

The minor in Forestry serves as a concentrated study, beyond a student's primary major, that allows students to explore their interest in forest ecology and management, and to build skills that can help launch a career in forest conservation.

## Requirements

Students interested in a minor in Forestry must complete a minimum of 5 courses and 20 credits with a grade of C- or better. Pass/Fail courses may not be used for the minor. Up to 8 credits can be used to satisfy both major and minor requirements.

Code	Title	Credits
<b>Required Courses</b>		
NR 425	Field Dendrology	4
NR 527	Forest Ecology	4
Choose one of the following:		4
NR 749	Forest Inventory and Modeling	4
or NR 757	Remote Sensing of the Environment	
Choose one of the following:		4
