NUTRITION MINOR

https://colsa.unh.edu/agriculture-nutrition-food-systems/program/ minor/nutrition

Description

The nutrition minor is particularly suited to students interested in pursuing professional careers related to human health and wellness.

Before deciding to add or change a minor, be sure to meet with your advisor to ensure that any changes align with your academic and career goals. Students may declare up to two minors in Webcat.

For specifics, please review how to declare, change and drop the minor at <u>https://www.unh.edu/registrar/academic-records/majors-minors</u>.

Requirements

- · Academic policies related to Minors.
- · The minor consists of completing a minimum of 20 credits.
- No more than 8 credits can also be used to fulfill major requirements.
- A minimum C average (2.00) is required in courses that the minor department approves; a grade of C- minus or better is required in all courses to be counted toward the minor.
- · Courses taken on a Pass/Fail basis may not be used for a minor.
