BUSINESS MAJOR: ACCOUNTING OPTION (B.A.) MANCHESTER

https://manchester.unh.edu/program/ba/business-major-accounting-option

Description

The Accounting Option is offered in response to the growing demand for Accounting graduates in public accounting firms as well as in industry. Many local public accounting firms have expressed that with an expected high retirement rate among “baby boomers”, there appears to be a need for graduates with robust accounting credentials. Representatives from well-known CPA exam prep course firms expressed the opinion that accountants are in high demand and the unemployment rate in this industry is very low.

The Accounting Option offers students the necessary courses to enable them to sit for the CPA exam, which is one of the major steps in obtaining a CPA license.

The requirements for sitting for the CPA exam in the State of New Hampshire are a bachelor’s degree, 24 credits in business subjects, and 30 credits in accounting subjects. The Accounting Option within the Business program provides these required credits.

Requirements

Students must complete 128 credits to graduate. Each required course must be completed with a minimum grade of C-. Students must attain a minimum GPA of 2.0 in major courses required for graduation. Majors cannot use BUS 430 Introduction to Business Statistics, ECN 411 Introduction to Macroeconomic Principles, or ECN 412 Introduction to Microeconomic Principles to satisfy both Discovery Program and major requirements. Transfer students must complete at least half of their credits in the major and the 8-credit capstone experience (BUS 690 Business Program Internship or BUS #691 VITA Internship) satisfy this experiential learning requirement.

Business Capstone Experience (two courses: BUS 705 Business Ethics and one senior business seminar [BUS 750 Business Capstone Senior Seminar - Internship or BUS 760 BUS SR SEM - Research Project] fulfills the Discovery Program capstone requirement for business majors and is taken during the senior year).

Note: Because this is a bachelor of arts program, students must fulfill a language requirement. Efforts will be made to enhance fluency through subsequent courses and community experiences.

Requirements - Accounting Option
