BUSINESS

Leadership Through Innovation, Collaboration and Real-World Experience.

Located in the economic heart of New Hampshire, our Business program gives you the skills, resources and connections to become a successful, innovative leader. Small class sizes offer you individualized attention from faculty, while our vast network of business partners gets you the practical experience employers want.

Our faculty members bring years of industry experience to the classroom, and their flipped-classroom approach means you'll apply concepts and theories to real, hands-on work. Senior capstone experience brings your learning to life through: an internship or project at a local business, case studies, business ethics study, and developing your professional self. Another internship is required to be taken junior or senior year to support career decision-making.

This highly interdisciplinary program is designed to explore your interests and prepare you for a lucrative career, offering areas of focus in:

- accounting & finance
- business economics
- management and human resources
- marketing and sales

Working hand-in-hand with local businesses through internships, capstone experience, or involvement in our award-winning Enactus program, you'll get the real-world experience and leadership skills that today’s employers look for.
