COMMUNICATION ARTS MAJOR: DIGITAL MEDIA OPTION (B.A.)

https://manchester.unh.edu/program/ba/communication-arts-major-digital-media-option

Description

Students choosing the Digital Media option use coursework and hands-on learning to explore the intersections of technology, creativity and artistry with a focus on audio, video and web-based media. Students gain a comprehensive overview of the different stages of a digital media project, from writing and pre-production through production and post-production. Courses cover topics such as web authoring and multimedia, audio and video production, social media and public relations, ethics and law in the digital age, and motion graphics. An internship in the area of digital media is required.

For more information, contact Jeff Klenotic (jeffrey.klenotic@unh.edu), program coordinator or contact the UNH Manchester Office of Admissions (unhm.admissions@unh.edu), (603) 641-4150.

Student Learning Outcomes

Upon completion of the Communication Arts program, students will be able to:

• Analyze how creativity, artistry, narrative, identity, persuasion, and ethics shape messages and relationships produced within a variety of social, organizational, and industry contexts.
• Demonstrate knowledge and skills that give them expertise and proficiency in areas such as human relations, social media, digital video, audio production, graphic design, writing, and speaking.
• Know the history of communication practices and understand how media technologies and messages have impacted societies, cultures, organizations, and businesses.
• Effectively research and creatively explore communication practices, experiences, and trends using high quality sources of information, multiple modes of inquiry, and multiple presentation formats.
• Identify professional interests or career paths by working with the Internship and Career Planning Office and by engaging with communication settings outside the classroom through internships, service learning, field trips, and independent studies.
