BEHAVIORAL SCIENCE
MAJOR: COUNSELING FOUNDATIONS OPTION (A.S.)

https://cps.unh.edu/online/program/as/behavioral-science-counseling-foundations-option

Description
The Associate in Science in Behavioral Science provides an interdisciplinary approach to understanding human behavior within a global world view. Foundation courses at an associate level introduce behavioral science students to the biological, psychological, social, and cultural variables of human behavior. This degree prepares students for a smooth transition to the B.S. in Applied Psychology, Health & Wellness, Human Services, or Criminal Justice. The counseling foundations option introduces students to the theory and process of delivering counseling services.

Requirements

Degree Requirements
Minimum Credit Requirement: 60 credits
Minimum Residency Requirement: 16 credits must be taken at UNH
Minimum GPA: 2.0 required for conferral*

Core Curriculum Required: General Education Program
Major, Option, and Elective Requirements as indicated.
*Major GPA requirements as indicated.

General Education Program Requirements
A minimum grade of D- is required in all General Education coursework. Students are allowed a maximum of one course overlap between the Major and General Education areas.

Major Requirements
A minimum grade of C- is required in all Major and Option coursework. Students are allowed a maximum of one course overlap between the Major/Option and General Education areas.

Electives
Open electives are courses students will need to take in addition to their general education and major requirements in order to satisfy the remaining credit totals for their programs.
