

BEHAVIORAL SCIENCE MAJOR: HUMAN SERVICES OPTION (A.S.)

<https://cps.unh.edu/online/program/as/behavioral-science-human-services-option>

Description

The Associate in Science in Behavioral Science provides an interdisciplinary approach to understanding human behavior within a global world view. Foundation courses at an associate level introduce behavioral science students to the biological, psychological, social, and cultural variables of human behavior. This degree prepares students for a smooth transition to the B.S. in Applied Psychology, Health & Wellness, Human Services, or Criminal Justice. The human services option introduces students to the issues associated with providing appropriate services to people with diverse needs.
