BUSINESS MAJOR: DIGITAL MARKETING OPTION (A.S.)

Description

The Associate in Science degree in Business is designed for students interested in gaining a solid foundation in the field of business. The program includes an overview of general management theory and introduces students to the fundamental concepts of economics, marketing, finance, and organizational behavior. Students are able to further customize their degree by choosing from an array of three-course concentrations to gain specialized knowledge. This degree prepares students for a smooth transition to the B.S. in Business Management or related degree.

Requirements

Degree Requirements

Minimum Credit Requirement: 60 credits

Minimum Residency Requirement: 16 credits must be taken at UNH

Minimum GPA: 2.0 required for conferral*

Core Curriculum Required: General Education Program

Major, Option, and Elective Requirements as indicated.

*Major GPA requirements as indicated.

General Education Program Requirements

A minimum grade of D- is required in all General Education coursework. Students are allowed a maximum of one course overlap between the Major and General Education areas.

Electives

Open electives are courses students will need to take in addition to their general education and major requirements in order to satisfy the remaining credit totals for their programs. Open electives are defined as any credit course offered by the College not already included in the student’s general education, major, concentration or minor. Students will need 60 credits total to graduate with an associate degree.

Degree Plan

This degree plan is a sample and does not reflect the impact of transfer credit or current course offerings. UNH CPS Online undergraduate students should develop individual academic plans with their academic advisor during their first year at UNH.
