

ECONOMIC SCIENCE MINOR

<https://cps.unh.edu/program/minor/economic-sciences>

Description

The minor in economic science provides a foundation in microeconomics and macroeconomics from a variety of lenses. Courses assess the ways in which economics are affected by technology, social, environmental and institutional capital, globalization and psychology. The minor in economics is valuable across many fields. Those who study economics may find career opportunities in business and government such as management consulting, business analysis, market research, and others.

NOTE: This minor may not be declared with the following major: BS Business Management: Economic Science.

Students will have the opportunity to:

1. Demonstrate knowledge of economic principles;
2. Explain the inner working of international goods and services markets;
3. Apply varied lenses to the field of economics.

Requirements

All minor courses must be completed with a minimum grade of C-, and a 2.0 grade point average must be maintained in courses for the minor. Two courses must be at the upper level (600 or 700). Only one overlap is allowed between major and minor.
