MANAGEMENT MINOR

https://cps.unh.edu/online/program/minor/management

Description

This minor provides a foundation in management theory and practice for those interested in public or private sector management. Students may choose electives that complement their career interests and primary area of study.

NOTE: This minor may not be declared with the following major: BS Applied Studies- Management or BS Business Management: Management.

Students will have the opportunity to:

1. Utilize knowledge of managerial theory and practice in application to the professional private and public sector of business.

2. Ask critical questions about information and research in the field of Management.

Requirements

All minor courses must be completed with a minimum grade of C-, and a 2.0 grade point average must be maintained in courses for the minor. Two courses must be at the upper level (600 or 700). Only one overlap is allowed between major and minor.
