

COMMUNICATION SCIENCES AND DISORDERS (A.S.)

<https://cps.unh.edu/online/program/as/communication-sciences-disorders>

Description

The Associate in Science in Communication Sciences and Disorders offers an intensive course of study in the area of speech and language disorders, including supervised field experience in a variety of settings. Upon completion of the Associate in Science in Communication Sciences and Disorders degree program, the graduate is eligible to apply for certification as a Speech Language Pathology Assistant to the New Hampshire Allied Health Speech Language Pathology Governing Board. The program is designed to meet guidelines of the American Speech-Language-Hearing Association. Speech Language Pathology Assistant courses are also available without the Associate in Science degree for those not seeking certification.

If you reside in another state, please check with the appropriate agency to determine if this program meets requirements in that state.
