HEALTH CARE MANAGEMENT MINOR

https://cps.unh.edu/online/program/minor/health-care-management

Description

This minor explores significant areas of the dynamic and complex health care industry. This minor provides a solid foundation for health care managers and staff, human resource professionals, and others whose work responsibilities intersect with this growing industry.

NOTE: This minor may not be declared with the following majors: BS Health Care Management or BS Allied Health Leadership.

Students will have the opportunity to:

1. Apply general management or human resource management skills to realistic situations in the field of health care

2. Ask critical questions about information and research in the field of health care.

Requirements

All minor courses must be completed with a minimum grade of C-, and a 2.0 grade point average must be maintained in courses for the minor. Two courses must be at the upper level (600 or 700). Only 8 credits may overlap between major and minor.
