

DIGITAL COMMUNICATION DESIGN MAJOR: GRAPHIC DESIGN OPTION (B.S.)

<https://cps.unh.edu/online/program/bs/digital-communication-design-graphic-design-option>

Description

The Bachelor of Science in Digital Communication Design prepares students for the expanding fields of digital communication and social media as used in business and the public sphere to market products, establish brands, enhance an organization's presence in the public eye, and support the democratization of society. The program integrates technical and creative disciplines through study of communication modes, media design, marketing fundamentals, and information technology. The B.S. in Digital Communication Design fosters learning that prepares graduates to make a strategic contribution in public and private enterprises that require the ability to convey messages effectively, manage information appropriately, respond to emerging environments, and employ technology strategically in a digital environment.
