# FELLOWSHIP OFFICE

The **UNH Office of National Fellowships** provides information, counsel, and editorial support to highly motivated and high-achieving students applying for national and international fellowships and scholarships. The office also assists faculty members who serve as mentors and recommenders and arranges for members of the faculty to take part in interviews and serve on screening committees.

In recruiting, advising, and supporting students who excel in various areas, the office collaborates campus-wide with other offices and departments of the University, including the Beauregard Center, the McNair program, the Honors College, the Global Education Center, and the Hamel Center for Undergraduate Research, in support of the University's Academic Plan.

The services of the Fellowships Office are available to undergraduates, graduate students, and alumni of the University. The office is located in Conant Hall Room 118A and Huddleston Hall Room 201A and can be contacted by phone at (603) 862-0733 or email at national.fellowships@unh.edu. Learn more on the website.
