DEGREES

Bachelor of Arts
At least 128 credits in courses numbered 200-799, with a cumulative grade-point average of 2.0 for all courses taken at the University in which a grade is given.

Completion of Discovery Program (University core curriculum) requirements.

Completion of the University writing requirement.

Proficiency in a foreign language. This requirement may be fulfilled by completing the equivalent of a full-year elementary-level course in a language not previously studied, or by completing the equivalent of a semester of a course in a foreign language at the intermediate or higher level, or by earning credit through an approved Advanced Placement or College Board foreign language achievement test (minimum scores vary). The proficiency in a foreign language requirement must be satisfied by the end of the sophomore year. No credit is awarded for elementary year college coursework if the student has had two or more years of that language in high school. It is strongly advised that students check with academic departments to identify department-advised specific foreign language proficiency options.

Note: A student with a documented disability who wishes accommodation on the basis that the disability will prevent him or her from successfully mastering a foreign language requirement, or whose foreign language requirement was waived in high school because of a documented disability, must contact Student Accessibility Services, Smith Hall, (603) 862-2607 (Voice/TDD).

An approved major.

For specific major requirements, check individual departmental or program listings.

Associate in Arts
For degree requirements, see the University of New Hampshire at Manchester.
pass graduate courses taken for credit with a grade of B- or better. If
these conditions are not met, admission is withdrawn.

Not all graduate programs participate; each program’s faculty retain
discretion regarding whether their program admits students under
the accelerated master’s program, as well as the maximum number of
graduate credits permitted (not exceeding 12; e.g., some programs will
accept one course, others two). Applicants are strongly encouraged to
meet with the graduate coordinator in the program’s faculty to discuss
specifics. Dual-credit forms must be completed and approved by the dean
of the Graduate School at the beginning of the semester for which dual
credit is sought.
